The Skyline Brittany Club will be hosting a fun day for club members as well as anyone interested in learning more about the Brittany breed and local events. We welcome new Brittany owners and lovers of our Breed.

Bring the whole family (including of course your Brittany). Dogs must be crated, staked out or on a leash unless on a course. Please be respectful of others and the private property. We will offer:

- + AKC conformation show fun match including classes for kids
- + Intro to showing/ Brittany care
- + Bird dog/ hunting demo & training opportunity. Divided into two groups- young dogs- intro to birds/ seasoned dogs
- + Opportunity to see what you can do with your Brittany and meet other Brittany owners

Lunch: We will be serving hot dogs & burgers, iced tea and lemonade to be provided by the club. We ask your help in providing sides (salads, chips, etc.). We suggest the following:

- Last name starting with A thru H – Appetizers, chips, munchies of all kinds
- Last name starting with J thru P – Sides such as salads
- Last name starting with Q thru Z – Desserts

The Skyline Brittany Club will also be presenting year-end awards at the Fun Day

Highly recommended to bring shade for your dog
